The Power of **Leverage** Income in Club 10

Club 10 enables participants to earn from their own efforts and from the sales activities of their network, creating a potential for passive income that compounds over time. This income is earned across ten generations of realtors within their team, following a structured compensation plan that allows members to build long-term wealth.

How Club 10 Works: Compensation and Earnings

1 Personal Income (P.I.)

- Income from direct personal efforts, sales, or referrals.
- 10% commission on direct real estate sales.
- 30% commission on membership upgrades.

2 Team Bonus (T.B.)

- Income generated from the sales and activities of their network across 10 generations.
- 1st Generation: 25% (direct referrals' sales)
- 2nd Generation: 10%
- 3rd Generation: 7%
- 4th Generation: 4%
- 5th Generation: 3%
- 6th Generation: 1%
- 7th Generation: 1%
- 8th Generation: 1%
- 9th Generation: 1%
- 10th Generation: 1%

Incentives and Rewards

Club 10 offers exciting incentives for high performers, including:

These incentives are designed to recognize and reward individuals who dedicate themselves to building wealth through the **Club 10 platform**.

The Future of Real Estate Sales

Club 10 by **Mosaic Homes Limited** is more than just a sales platform—it is a wealth creation ecosystem built on collaboration, innovation, and leverage. By providing individuals with the tools to succeed in real estate, empowering them to build generational wealth, and creating a community of like-minded entrepreneurs, Club 10 is reshaping the real estate landscape.

Through its innovative compensation model, robust network, and world-class incentives, Club 10 is not only changing how people sell real estate but also how they create wealth for the future.
